

# **ATTENTION: CITY OF NORTHFIELD RESIDENTS FALL 2020 HOUSEHOLD RENOVATION DEBRIS COLLECTION SCHEDULE**

Using grant funding provided through the NJ Clean Communities Entitlement Program, the City of Northfield is pleased to announce an organized pick up event that will allow **residents** to place household renovation debris, to include doors, windows, fencing, cabinets, kitchen and bathroom fixtures, scrap wood, etc. out for collection on their regular trash day **October 19th through October 23rd only**. The next schedule household renovation debris collection will be in the Spring of 2021.

This program is **not** open to contractors; contractors doing work on residential homes are responsible for removing and disposing of construction debris and/or trade waste at their expense.

Residents are asked to adhere to the following guidelines:

- Separate these items from your regular trash
- Each household will have a 3 item or can limit (in addition to your regular trash)
- Cans cannot be larger than 40 gallons; 50 pound weight limit for cans or individual items
- No hazardous materials, such as paint, solvents, pool chemicals, flammable liquids, etc.
- Broken glass or items with sharp or jagged edges shall be placed in a secure container to facilitate safe loading

If you have questions or concerns please contact the ACUA at 272-6950, or the City Clerk's Office at 641-2832 x 125.
