

Northfield City Council

YOUTH OF THE MONTH

**Do you know a student who deserves recognition?
Every month, Northfield City Council will select one
child to honor. Did you catch a child performing an act
of kindness? Let us know!**

**Nominations may include any Northfield child who
performed any act of kindness. Maybe you know a
child who shared his/her lunch or coat one day with
someone who forgot to bring their own? Maybe you
saw a kid stand up for someone who was being
bullied? These kids make our community better just by
being a part of it and we want to honor them!**

Please send nominations to Councilwoman Susan M. Korngut at
skorngut@cityofnorthfield.org

Be sure to include the name of the child, age, contact information and summary of why you
think this child deserves to be honored.
