of any shared services; he heard on the radio last week that an Egg Harbor Township politician said that Northfield pays for Egg Harbor Township radios. He suggested if you want shared services, that Northfield's charter be eliminated, and that it be divided into thirds, going to Linwood, Egg Harbor Township and Pleasantville. He felt there was too much money being spent on ball fields; the elderly have not been given as much consideration as the children.

Seeing no one else wishing to speak Council President Dewees closed the public session.

At 6:19pm, on motions properly made and seconded, this meeting was adjourned.
