1600 Shore Road  
Northfield, NJ 08225

## Emergency Contact Information

The Northfield Police and Fire Departments are requesting updated "emergency contact" telephone numbers for your business. These telephone numbers are essential in helping our public safety personnel protect your business against burglary, theft, criminal mischief and other crimes, or in the event of a fire-related call. Updating the required telephone numbers for your business, managers and employees will help us provide better service and security for your establishment.

It is mandatory that this form be returned with the telephone numbers of at least three persons who can be contacted in the event of an alarm or problem at your business. Contacts should live close to the business so that, when necessary, they can respond to the location to help with the resolution of problems during non-working hours.

## Emergency Contact Telephone Numbers
